

## Summer Reading Challenge 2017

The theme of this year's Summer Reading Challenge is 'Animal Agents'.

The Summer Reading Challenge is a reading incentive run by local libraries to encourage children to read a minimum of 6 books over the summer holidays.

Participation in the challenge is FREE. All children have to do is sign up as members of their local library, then borrow and read 6 books before 9<sup>th</sup> September.

As a reward for participating, children will receive a special agent collector folder along with a sticker for each book they complete. The stickers (some are smelly!) will help them crack the case and catch the crook!

Every child who completes the challenge will receive a certificate, which we will present in a whole school assembly in September.

We will also award 10 house points to every child who participates.

If your child is unable to participate in the library challenge but is able to read 6 books over the holiday, please write to us confirming the books they have read; we will then award them the 10 house points but not the certificate.

For further details, pop along to your local library (including Bassingbourn Book Café) or log on to:  
[www.animal-agents.org.uk](http://www.animal-agents.org.uk)

Enter the codes printed on the stickers to unlock surprises.

Play games and enter competitions.

Use the Book Sorter to find books recommended by other children.

You are not restricted to books that are on Accelerated Reader for the Book Challenge.
