

BASSINGBOURN OUT OF SCHOOL CLUB

'Play is what I do when everyone stops telling me what to do'

Dear Parents/Carers

Bassingbourn Out of School Club is an established Out of School Club. The Club runs a fun, safe, warm, friendly, happy and home-from-home setting where the children can engage in fun activities, crafts or enjoy some relaxation time with friends. Furthermore the Club has recently been given an 'Outstanding' rating by Ofsted particularly on the safety and welfare of the children.

The Club, which is based at Bassingbourn Community Primary School, is an inclusive Club for children aged 3 – 12 years. It is open every day for Breakfast Club before School and After School once the school day has finished.

In addition the Club opens where possible out of term time to allow parents/carers the opportunity to send their children, regardless of whether they attend Bassingbourn Community Primary School, to a Holiday Club should they need it.
