15th March 2024

Dear Parents / Carers

It has been a great week of learning in school. Congratulations to Year 5 pupils for completing their Bikeability training this week! The programme aims to provide pupils with knowledge of cycling and road safety.

Elsewhere in school, we have seen great learning engagement and calm behaviour. Pupils' enthusiasm for learning was also noted during a recent governor monitoring visit.

At the Governor Meeting this week, I shared our school development progress update with governors. We are making significant improvement with our priorities – SEND, behaviour and curriculum implementation. I am grateful for the support of the staff team in school. Their commitment to our school and resilience have made the progress to date possible.

I am humbled to have received much positive feedback from parents and carers. As a school, we know that we are only at the start of our improvement journey and there are still many things we need to get right, we are appreciative of your ongoing support.

Additionally, thank you to all the parents who were able to attend the Writing showcase event. We hope that this provided you with the opportunity to understand our new approach to writing across the school.
