19th April 2024

Dear Parents / Carers

This week has been a great week of learning. We are focussing on developing our learning environment by decluttering distractions and providing appropriate learning resources. A clear and tidy environment supports learning engagement and focus. As a school, we have also introduced our WalkThrus principle of 'Signal, Pause, Insist' to support classroom management. I was very impressed in assembly this week when the whole school followed the principle brilliantly.

Well done to our KS2 pupils for representing the school brilliantly at the Year 5/6 Netball Competition this week! Thank you to all the adults who accompanied the children and supported them with the event. Extra-curricular offer of clubs and peripatetic lessons are wonderful opportunities to enrich learning in school and we are committed to providing our children with these provisions. This half term we are reviewing our curriculum offer and making contact with our partner providers to establish a schedule for clubs next half term. We will share this with you once we have the final details so that you can sign up for clubs starting in summer term 2.

We are looking forward to seeing you at the Coffee Morning next week to meet with Miss Gregson who will provide an update on the SEND provision and the development progress we have made so far.

Ms Luu
Interim Executive Headteacher

This week's Celebration Award winners are:
Annabel, Sayok, Amelia, Isla, George, Curtis, Lizzie, Orla, Zoya, Ailbhe and Freya

PE ROUNDUP

Netball - A team tournament

We were delighted to take 7 of our KS2 students to Comberton Village College on Wednesday, for the A team netball finals. Our students displayed some brilliant netball and showed great perseverance throughout the afternoon. We look forward to attending this competition next academic year.

KS1 Lunchtime Provision

Starting next week, we are very excited to announce that there will be some changes to lunchtimes on the KS1 playground. This week our sports captains and sports ambassadors from KS2 undertook 'sports leaders training'. Next week, all KS1 students will be able to engage in lots of fun and organised activities run by our KS2 leaders. These activities will be taking place every Tuesday, Wednesday, Thursday and Friday.
