

## Bassingbourn Community Primary School

### School Sports Funding Report 2018-2019

Ofsted's last national report into Physical Education (PE) noted that a major weakness in some primary schools was the lack of specialist subject knowledge among teachers. There was also clear evidence of a lack of pupil's participation in sports competitions, festivals and extra-curricular sports clubs, including those at lunchtimes and before school. It was found that even in schools known to have strong practice in PE, there is further need to develop teacher's knowledge and skills and that these schools should allow children to partake in competitions or sporting activities more frequently.

Therefore, the government is providing additional funding of £150 million each year from 2013-2016 to improve provision of physical education and sport in primary schools. In 2017, the school now receives double the funding from previous years.

For the academic year 2018-2019 we will receive a total of £18,775. The allocation is spread across the year in two payments with the first being £10,971 and the second consisting of £7804 with the total funding received being £18,775.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in school. Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer. This means that you should use the Primary PE and Sport Premium to develop or add to the PE, physical activity and sport activities that the school already offers and build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

At Bassingbourn Community Primary School we strongly believe in all children having access to a broad range of sporting opportunities, both within the school day and outside of it, through an exciting range of clubs and lessons designed to inspire competitiveness and healthy lifestyles. Our PE curriculum is designed to teach key fundamental skills throughout Key Stage 1 and key skills within a range of sports in KS2 through a progression of skills and whole class matches in lessons and against local schools. We believe that Healthy lifestyles inspire team working, ambition and drive which in turn will promote mental and economic wellbeing in later life.

**2018-2019 Sports Premium Allocation - £18,775**

<b><u>Strategy</u></b>	<b><u>Objective</u></b>	<b><u>Cost</u></b>	<b><u>Impact</u></b>	<b><u>Sustainability and next steps</u></b>
Sports TA	<ul style="list-style-type: none"> <li>• To prepare and take children to and from competitive competitions</li> <li>• To provide a range of extra competitive competitions to KS2 children within the school day</li> <li>• Support teachers in their delivery of PE lessons</li> <li>• Provide additional swimming lessons to children in Years 2/3/4 to develop swimming skills and confidence in the water</li> </ul>	£3830	<ul style="list-style-type: none"> <li>• Bassingbourn Primary has entered 38 teams into competitive competitions</li> <li>• Bassingbourn Primary has taken 290 pupils from KS2 to competitive competitions throughout the year</li> <li>• All pupil premium children in KS2 have been involved in external sporting competitions</li> <li>• All KS2 children have completed a range of competitive opportunities which have tied in with the school's house system these included; orienteering, cross country, netball and gymnastics competitions.</li> <li>• 20 children have had extra swimming sessions. These children now show greater confidence in the water with many being able to begin swimming unaided</li> </ul>	<ul style="list-style-type: none"> <li>• Sport's TA funding to continue from school budget to support children to attend and access competitive competitions in the future</li> <li>• Sports TA and co-ordinator continue to develop staffs teaching of swimming to ensure all staff are trained if PE funding is discontinued</li> <li>• TA to support in-house competitions and build a programme for this when funding discontinues to continue to provide competitive opportunities to children</li> </ul>
South Cambridgeshire Sports Partnership Package	<ul style="list-style-type: none"> <li>• To borrow PE equipment we may not have</li> <li>• To provide high quality training opportunities for staff</li> <li>• To access network to sporting competitions within the local community and county</li> <li>• PE Co-ordinator to be</li> </ul>	£1300 (+820 Top Up Swimming) =£2120	<ul style="list-style-type: none"> <li>• Borrowing a school curling kit for additional active lunch time activities for KS2</li> <li>• PE Co-ordinator and Sports TA updated on latest PE information and guidelines from government and provided information on how to spend future sports premium money, this was then feedback to staff at a staff meeting</li> <li>• Schools Games Mark completed and achieved Gold for the second year in a row</li> <li>• Top up swimming attended by 15 year 5 and 6 children to receive extra coaching to achieve 25 meters of swimming</li> </ul>	<ul style="list-style-type: none"> <li>• Membership will be renewed each year from curriculum budget if PE funding is discontinued</li> </ul>

	<p>upskilled in latest information from government</p> <ul style="list-style-type: none"> <li>To continue to provide opportunities to support and promote the progress of more able pupils throughout the school.</li> <li>To provide extra opportunities for less active and pupil premium children</li> <li>To provide support for children unable to swim 25 metres in Year 6</li> </ul>		<p>as per the national curriculum</p> <ul style="list-style-type: none"> <li>Bassingbourn Primary has entered 38 teams into competitive competitions</li> <li>All pupil premium and all less active children from KS2 have attended an external sporting competition</li> <li>Bassingbourn Primary has taken 290 pupils from KS2 to competitive competitions throughout the year</li> <li>Year 5 teacher accessed swimming training to be able to teach the class during the summer term</li> </ul>	
Staff Training	<ul style="list-style-type: none"> <li>Staff trained in resuscitation and retrieving a child from a swimming pool in case of an emergency, so they are ready when summer swimming begins</li> </ul>	£475	<ul style="list-style-type: none"> <li>All staff are resuscitation trained and trained to rescue child/adult from a pool and following school safety policies and first aid requirements</li> </ul>	<ul style="list-style-type: none"> <li>Swimming first aid to be provided through the staff training budget once funding is discontinued</li> <li>PE co-ordinator to have extra release time to observe all PE lessons to ensure safety aspects of the PE curriculum are being met</li> </ul>
Pool and swimming	<ul style="list-style-type: none"> <li>To ensure all children receive swimming lessons so that by the</li> </ul>	£1855	<ul style="list-style-type: none"> <li>Swimming pool opened and maintained for the summer term 2019</li> <li>All children from foundation to year 6 received swimming</li> </ul>	<ul style="list-style-type: none"> <li>Funding for chemicals, pool carer training and general running of the pool allocated</li> </ul>

	<p>end of Year 6 they can swim competently 25meters and participate in a self-safe water rescue as per the national curriculum</p> <ul style="list-style-type: none"> <li>• Provide extra opportunities outside the normal to allow children to gain more confidence in the water</li> <li>• To ensure the pool is tested regularly and a pool carer team is in place to safely run the pool and look after chemicals</li> <li>• Commission and decommission of the pool</li> <li>• Microbiology test</li> <li>• Chemical orders to ensure safe levels in the swimming pool</li> <li>• Elm leisure (pool company) to call out and provide additional help when necessary</li> </ul>		<p>lessons every week during the second half of summer term</p> <ul style="list-style-type: none"> <li>• 20 children have received additional swimming lessons by Sports TA to learn to swim and feel more confident in the water</li> <li>• 1 new pool carer trained on a 3 day course to help run and test the pool</li> <li>• Chemicals were bought by pool carers to ensure chemicals were in the pool when needed</li> <li>• Microbiology test completed and passed</li> <li>• Elm Leisure came out and was available on the phone when pool carers had concerns about the chemical levels of the pool</li> <li>• The pool was commissioned in May and decommissioned in July</li> <li>• New first aid equipment and safety equipment was bought to support the pool carer team</li> <li>• Assessments from this year show an improvement in children swimming, with many meeting national swimming requirement of swimming 25m by the end of year 5</li> <li>• All children have enjoyed a different form of exercise</li> <li>• Children's in Year 5 and 6 completed a self-safe rescue session which focussed on how to save themselves and other from water in an emergency situation</li> </ul>	<p>from the curriculum budget when PE funding discontinues</p> <ul style="list-style-type: none"> <li>• PE co-ordinator to ensure new staff have twilight training sessions, plans and resources along with extra support for new staff to ensure they can deliver swimming lessons</li> <li>• PE co-ordinator/Sports TA to provide top up swimming lessons at school using the school pool to continue to support children's swimming abilities to meet national requirement when funding discontinues</li> </ul>

<p>New Equipment</p>	<ul style="list-style-type: none"> <li>• Providing children with up-to-date and suitable resources to improve skills and participation</li> <li>• Improve the provision for SEN and lower attaining pupils</li> <li>• Provide new curriculum time opportunities to children</li> <li>• Provide extra equipment for external clubs to use so that they can then offer more after school activities and opportunities to children</li> <li>• Provide more equipment for active lunch and break times</li> </ul>	<p>£5781</p>	<ul style="list-style-type: none"> <li>• Children used new pool equipment during swimming lessons in the summer</li> <li>• A range of new sports equipment bought specifically for KS1 including a range of different size balls support children's skills to catch and throw and through assessment have seen an improvement in children's skills</li> <li>• Additional tyres donated for both playgrounds, resulting in more children becoming active during break and lunch times</li> <li>• Extra lunchtime equipment purchased has been used and playgrounds and now very active and engaging. Pupil feedback suggests children are happy with the equipment and feel they now have more to do at lunch time</li> <li>• Existing mends to storage has allowed more equipment to be purchased and safer to staff and children to access for lessons</li> <li>• With additional equipment children with additional needs feel more included and are fully active in lessons</li> <li>• External clubs that are run outside of school time are now almost full with many children on a waiting list. Additional equipment has allowed them to offer more clubs for pupils in the afternoons</li> </ul>	<ul style="list-style-type: none"> <li>• New equipment has been purchased to ensure that if sports funding is discontinued there is enough equipment to support PE lessons for a few years after. Any new equipment will be bought from the curriculum budget.</li> <li>• PE co-coordinator to work alongside out of school provider to ensure there is a range of clubs and extra opportunities for children to attend</li> <li>• New storage shed will be sustainable for years to come</li> <li>• New equipment bought support the range of sports which are now implemented into the curriculum</li> </ul>
<p>Transport</p>	<ul style="list-style-type: none"> <li>• Support all children in attending sporting events across the academic year.</li> <li>• Encourage SEN, PP and less active children to be involved in sport.</li> </ul>	<p>£506</p>	<ul style="list-style-type: none"> <li>• Provided children across school to attend more external (level 2 and 3 events).</li> <li>• Children have experienced what a competitive sport is like, with some now continuing the sport with club outside of school time</li> <li>• Pupil premium children and less active children have been given opportunities to compete in sports they would not have had the opportunities to before</li> </ul>	<ul style="list-style-type: none"> <li>• Extra parent helpers are required to take children to competitions that Basingbourn primary enters if PE funding is discontinued</li> <li>• TA and PE coordinator to support in-house competitions and build a</li> </ul>

			<ul style="list-style-type: none"> <li>• Bassingbourn Primary has entered 38 teams into competitive competitions</li> <li>• Bassingbourn Primary has taken 290 pupils from KS2 to competitive competitions throughout the year</li> <li>• Bassingbourn came 2<sup>nd</sup> in the county Quad athletics</li> </ul>	programme for this when funding discontinues to continue to provide competitive opportunities to children
Golf Lessons	<ul style="list-style-type: none"> <li>• To increase children participation in PE</li> <li>• Give less active and pupil premium children and opportunity to try and train in a sport they have not done before</li> </ul>	£200	<ul style="list-style-type: none"> <li>• 20 children from KS2 completed a 6 week golf training program at the local gold course supported by a professional trainer</li> <li>• Children were excited to be involved and more active and pupils feedback suggest they loved the experience</li> <li>• Hand-eye co-ordination and listening skills perceived to have improved</li> </ul>	<ul style="list-style-type: none"> <li>• PE co-ordinator to fund raise this money if funding discontinues to allow this opportunity to continue to less active and pupil premium children</li> </ul>
Balance ability	<ul style="list-style-type: none"> <li>• To train EYFS teachers and TAs to deliver the balance ability program to all EYFS children</li> <li>• To purchase balance bikes, equipment and helmets to run the balance ability program</li> </ul>	£2705	<ul style="list-style-type: none"> <li>• All staff were trained by a professional for 6 weeks in Autumn term. They are all now competent to deliver the balance ability program for years to come to all EYFS children</li> <li>• Balance bikes, equipment and helmets were purchased outright so that future pupils can benefit from the program, it is now built into the PE curriculum for EYFS</li> <li>• All children in EYFS completed the balance program. End of year assessments show many children understand road safety, all children can comfortably and safely ride a balance bike, children listening skills and gross motor skills have increased leading to a further improvement in fundamental skills</li> <li>• Children have enjoyed the bikes and many are now riding more at home, many without stabilisers</li> </ul>	<ul style="list-style-type: none"> <li>• Balance ability program to run for years to come</li> <li>• EYFS staff to train additional staff when needed</li> </ul>

Equipment maintenance	<ul style="list-style-type: none"> <li>Repair equipment which has been identified as hazardous by sports safe, in order to continue to keep equipment needed to support curriculum and active play times in use</li> </ul>	£553	<ul style="list-style-type: none"> <li>A number of items have been fixed including trim trails in KS1 playground, netball posts in KS2 playground, mats uses for gymnastics in the hall and climbing frame equipment used during gymnastic lessons. Due to having these fixed - children continue to be more active at break and lunch times and equipment is used to continue to support children in their skill development through the curriculum</li> </ul>	<ul style="list-style-type: none"> <li>Maintenance for future equipment needs to come out of the school building/ maintenance funds to allow children to continue to use large equipment pieces the school has</li> </ul>
Sports Day	<ul style="list-style-type: none"> <li>To allow all children from Reception to Year 6 to compete in a competitive way, and support sport activities that the school offers</li> </ul>	£73	<ul style="list-style-type: none"> <li>Equipment purchased allowed all children to participate in a school sports day. KS1 children competed in 8 sporting activities and KS2 participated in 10 activities influenced by Quad athletics in line with the curriculum</li> <li>All children increased their participation in competitive sports</li> <li>Children in KS2 received medals for individual races</li> </ul>	<ul style="list-style-type: none"> <li>Sports day to be funded through the school PE budget once funding discontinues</li> <li>Ideas for a sport week for KS1 rather than a sports day in the future should be considered as this would be less costly</li> </ul>
Sport Markings	<ul style="list-style-type: none"> <li>Markings of 2 extra football pitches on the grass in KS2</li> <li>Markings of athletic tracks to support curriculum</li> <li>Markings on the field for sports day</li> </ul>	£677	<ul style="list-style-type: none"> <li>Children in KS2 now have a football pitch per year group, this has led to more children being more active during break and lunch times and has helped to improve behaviour of children while playing football</li> <li>Children were supported during lesson times to run a 100M track, markings have shown an improvement in running times, fitness and throwing ability due to children feeling more professional during lessons as they are using the track markings provided</li> <li>Markings allowed children to successfully compete on sports day and formed the basis for their arena</li> </ul>	<ul style="list-style-type: none"> <li>Markings to come for school budget as these are imperative to continue to improve behaviour and monitor children on the playground at break and lunch times</li> <li>Markings for sports day to be placed a week before, funded by the PE budget, to ensure a successful and safe sports day</li> </ul>
<b>Total Amount Spent 2018-2019: £18,775</b>				

### **Key achievements to date 2018-2019:**

- All children have had an opportunity to learn to swim in a safe and controlled environment with weekly swimming lessons in the school pool
- Sports TA and PE leader organised a range of in house sporting competitions for children
- We have doubled the opportunities for children to participate in external clubs after school these range from, gymnastics, archery, football rounders, athletics, netball and fitness
- We have 38 student sport ambassadors who help make play times active and run lunch time clubs to KS2 and KS1 children
- The whole school has completed a range of Change4Life sessions with children making pledges of one way to be more active and healthy in their lives along with school staff
- All children now complete an active assembly for 15 minutes each week these range from completing a HITT workout, dancing and yoga
- All classes have used 5 a day fitness to engage children in physical activity during lesson time and have helped children work towards the recommended 30 minutes of active play at school each day
- Assessment and data shows that children are improving their skills across the PE curriculum; particularly in KS1
- Successful completion of the Schools Game Mark which the school achieve gold for the second year in a row
- Year 5 children trained to become play leaders who deliver active games and activities to KS1 every lunch time
- Bassingbourn has entered 38 teams into competitive competitions with positive results such as coming 2<sup>nd</sup> in the county Quad Athletic finals
- Since 2016-2017 we have tripled the amount of children participating in afterschool clubs by reaching out to a different external provider, who could provide children with more variety of sports to participate in
- Lunch time clubs, which are provided voluntary by staff and free to children has increased with a sporting club available every lunch time
- All children in KS2 have participated in the mile run each day
- With additional equipment breaks and playgrounds are more active
- Bassingbourn Primary has taken 290 pupils from KS2 to competitive competitions throughout the year
- Less active children were identified at the start of the year and extra opportunities were provided for them to become more active
- All pupil premium children in KS2 have had additional competition and sporting opportunities provided to them
- The profile of PE has been raised across the whole school
- It has been noted that the overall fitness of the children in school is rising and an improvement is seen from the beginning of the year
- The KS1 curriculum has been remapped and better plans and resource have been in place to support this

### **Bassingbourn Community Primary School Swimming Information**

For the 2018 to 2019 academic year, there is a condition requiring schools to publish how many pupils within their year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.

<b><u>Meeting national curriculum requirements for swimming and water safety</u></b>	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	94%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	88 %
What percentage of your current Year 6 cohort perform safe self-rescue in water-based situations?	94%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming this can be to provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum. Have you used it in this way?	Yes this year 15 children from year 5 and 6 were sent to top up swimming lessons, where they were coached by professionals to achieve their 25 meters as stated within the national curriculum.
