

Bassingbourn Community Primary School

School Sports Funding Report 2019-2020

Ofsted's last national report into Physical Education (PE) noted that a major weakness in some primary schools was the lack of specialist subject knowledge among teachers. There was also clear evidence of a lack of pupil's participation in sports competitions, festivals and extra-curricular sports clubs, including those at lunchtimes and before school. It was found that even in schools known to have strong practice in PE, there is further need to develop teacher's knowledge and skills and that these schools should allow children to partake in competitions or sporting activities more frequently.

Therefore, the government is providing additional funding of £150 million each year from 2013-2016 to improve provision of physical education and sport in primary schools. In 2017, 2018 and 2019, schools now receives double the funding from previous years.

For the academic year 2019-2020 we will receive a total of £18,870. The allocation is spread across the year in two payments with the first being £11,007.50 and the second consisting of £7862.50 with the total funding received being £18,870.

This funding is ring-fenced and therefore can only be spent on provision for Physical Education, Physical Activity and Sport in school. Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer. This means that they should use the Primary PE and Sport Premium to develop or add to the PE, physical activity and sport activities that the school already offers and build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

At Bassingbourn Community Primary School, we strongly believe in all children having access to a broad range of sporting opportunities, both within the school day and outside of it, through an exciting range of clubs and lessons designed to inspire competitiveness and healthy lifestyles. Our PE curriculum is designed to teach key fundamental skills throughout Key Stage 1 and key skills within a range of sports in KS2 through a progression of skills and whole class matches in lessons and against local schools. We believe that Healthy lifestyles inspires team working, ambition and drive, which in turn will promote mental and economic wellbeing in later life.

2019-2020 Sports Premium Allocation - £18,870

Strategy	Objective	Cost	Impact	Sustainability
Sports TA	<ul style="list-style-type: none"> To prepare and take children to and from competitive competitions To provide a range of extra competitive competitions to KS2 children within the school day Support teachers in their delivery of PE lessons Provide an opportunity for less active children to have a chance at experiencing physical activity and school sporting competitions Broader experience of sport and opportunities offered to children 	£4406.73	<ul style="list-style-type: none"> Bassingbourn Primary has entered 10 teams into competitive competitions prior to lockdown Bassingbourn Primary has taken 290 pupils from KS2 to competitive competitions throughout the year All pupil premium children in KS2 have been involved in external sporting competitions All KS2 children have completed a range of competitive opportunities, which have tied in with the school's house system these included; orienteering, cross-country, netball and gymnastics competitions. 16 children have had extra swimming sessions. These children now show greater confidence in the water with many being able to begin swimming unaided Less active children have become more active and willing to complete physical activity at school and have enjoyed Physical Education more All children in KS2 have complete the mile run which is now embedded into the school Bassingbourn Primary School has received recognition for complete the active mile 	<ul style="list-style-type: none"> Sport's TA funding to continue from school budget to support children to attend and access competitive competitions in the future Sports TA and co-ordinator continue to develop staffs teaching of swimming to ensure all staff are trained if PE funding is discontinued In house sporting competitions are now planned into the curriculum to ensure all children are given extra opportunities to engages in competitive physical activity competitions
South Cambridgeshire Sports Partnership Package	<ul style="list-style-type: none"> To borrow PE equipment we may not have To provide high quality training opportunities for staff To access network to sporting competitions within the local community and county 	£1350(+820 Top Up Swimming) =£2170	<ul style="list-style-type: none"> Borrowing a school lunch kit for additional active lunch time activities for KS2 PE Co-ordinator and Sports TA updated on latest PE information and guidelines from government and provided information on how to spend future sports premium money Schools Games Mark recognised despite lock down and Bassingbourn Primary achieved Gold for the third year in a row for its Physical Education and Activity 	<ul style="list-style-type: none"> Membership will be renewed each year from curriculum budget if PE funding is discontinued

	<ul style="list-style-type: none"> • PE Co-ordinator to be upskilled in latest information from government • To continue to provide opportunities to support and promote the progress of more able pupils throughout the school. • To provide extra opportunities for less active and pupil premium children • To provide support for children unable to swim 25 metres in Year 6 • Engagement of all pupils in regular physical activity 		<p>provision</p> <ul style="list-style-type: none"> • Top up swimming attended by 15 year 5 and 6 children to receive extra coaching to achieve 25 meters of swimming as per the national curriculum • Bassingbourn Primary has entered 10 teams into competitive competitions prior to lockdown • All pupil premium and all less active children from KS2 have attended an external sporting competition • Bassingbourn Primary has taken over 100 pupils from KS2 to competitive competitions prior to lockdown • Year 5 teacher accessed swimming training to be able to teach the class during the summer term • 1 staff member trained to run sensory circuits in Early Years • Children have become more active in playgrounds from activities and suggestions received from the partnership 	
Pool and swimming	<ul style="list-style-type: none"> • Decommission of the pool • Raising attainment of primary school swimming 	£137.42	<ul style="list-style-type: none"> • Children in Year 1-4 have not received swimming this year due to lockdown however in January 15 Year 5 and 6 children attended Top Up Swimming sessions to support them to meet the minimum requirements of the Physical Education Curriculum 	<ul style="list-style-type: none"> • Plans have been discussed to budget bid and ask PTA to fund the pool if funding discontinues to ensure all children have an opportunity to access swimming, which is a life skill
New Equipment	<ul style="list-style-type: none"> • Providing children with up-to-date and suitable resources to improve skills and participation • Improve the provision for SEN and lower 	£1497	<ul style="list-style-type: none"> • KS2 equipment has been brought, and children have developed their skills further using this. Data suggests that children are becoming more confident in Physical Education and their overall fitness has improved • Additional tyres donated for both playgrounds, resulting in more children becoming active during 	<ul style="list-style-type: none"> • New equipment has been purchased to ensure that if sports funding is discontinued there is enough equipment to support PE lessons for a few years after. Any new equipment will be bought

	<p>attaining pupils</p> <ul style="list-style-type: none"> • Provide new curriculum time opportunities to children • Provide more equipment for active lunch and break times • Ensure there is enough equipment to confidently teach the Physical Education Curriculum planning in every year group, which has had major changes made to planning • Broader experience of sports and experiences for children 		<p>break and lunch times</p> <ul style="list-style-type: none"> • Extra lunchtime equipment purchased has been used and playgrounds and now very active and engaging. Pupil feedback suggests children are happy with the equipment and feel they now have more to do at lunch time in both KS2 and KS2 • Equipment has been shared out to each class bubble upon returning from lock down to ensure children have access to play equipment to ensure physical activities continue • External clubs that run outside of school time are now almost full with many children on a waiting list. Additional equipment has allowed them to offer more clubs for pupils in the afternoons, which in turn means more children are becoming physically active outside of school • PE Co-ordinator has made changes to the PE curriculum offers for every year group. By doing this there is now clear progression and planning for every year group to support pupils Physical Education. Equipment purchased now supports the new Physical Education curriculum 	<p>from the curriculum budget.</p> <ul style="list-style-type: none"> • PE co-coordinator to work alongside out of school provider to ensure there is a range of clubs and extra opportunities for children to attend, club providers should pay an additional fee for the hire of equipment once funding discontinues to replace wear and tear on school equipment • PE Co-ordinator has made changes to the PE curriculum offers, which children and staff will work from for years to come.
Transport	<ul style="list-style-type: none"> • Support all children in attending sporting events across the academic year. • Encourage SEN, PP and less active children to be involved in sport. • Broader experience of sports offered to children 	£137.50	<ul style="list-style-type: none"> • Provided children across school to attend more external (level 2 and 3 events). • Children have experienced what a competitive sport is like, with some now continuing the sport with club outside of school time • Pupil premium children and less active children have been given opportunities to compete in sports they would not have had the opportunities to before • Bassingbourn Primary has entered 10 teams into competitive competitions • Bassingbourn Primary has over 100 pupils from KS2 to 	<ul style="list-style-type: none"> • Extra parent helpers are required to take children to competitions that Bassingbourn primary enters if PE funding is discontinued • TA and PE coordinator to support in-house competitions which have now been planned into the school curriculum

			competitive competitions throughout the year	
Golf Lessons	<ul style="list-style-type: none"> To increase children participation in PE Give less active and pupil premium children and opportunity to try and train in a sport they have not done before Provide a target activity to less active and pupil premium children 	£66.67	<ul style="list-style-type: none"> 20 children from KS2 completed a 6 week golf training program at the local gold course supported by a professional trainer Children were excited to be involved and more active and pupils feedback suggest they loved the experience Hand-eye co-ordination and listening skills perceived to have improved Less active children more willing to try and become more active and continue with physical activity outside of school 	<ul style="list-style-type: none"> PE co-ordinator to fund raise this money if funding discontinues to allow this opportunity to continue to less active and pupil premium children
Equipment maintenance	<ul style="list-style-type: none"> Repair equipment which has been identified as hazardous, in order to continue to keep equipment needed to support curriculum and active play times in use 	£332.48	<ul style="list-style-type: none"> A number of items have been fixed. Due to having these fixed - children continue to be more active at break and lunch times and equipment is used to continue to support children in their skill development through the curriculum 	<ul style="list-style-type: none"> Maintenance for future equipment needs to come out of the school building/ maintenance funds to allow children to continue to use large equipment pieces the school has Where equipment is donated from PTA or external companies a plan will need be in place to ensure maintenance in the future
Sport Markings	<ul style="list-style-type: none"> Markings of extra football pitches on the grass in KS2 Markings of athletic tracks to support curriculum 	£234.25	<ul style="list-style-type: none"> Children in KS2 now have a football pitch per year group, this has led to more children being more active during break and lunch times and has helped to improve behaviour of children while playing football Children were supported during lesson times to run a 100M track, markings have shown an improvement in running times, fitness and throwing ability due to children feeling more professional during lessons as they are using the track markings provided 	<ul style="list-style-type: none"> Markings to come for school budget as these are imperative to continue to improve behaviour and monitor children on the playground at break and lunch times Markings for sports day to be placed a week before, funded by the PE budget, to ensure a successful and safe sports day
Total Amount Spent 2019-2020- £9216.30= £8982.05				

1.4 Flexibility to carry forward any unspent PE and sport premium grant funding

As a result of the coronavirus (COVID-19) outbreak, the Department for Education has taken steps to relax the ring-fencing arrangements for the PE and sport premium in the 2019 to 2020 academic year to allow any unspent grant to be carried forward into the next academic year (2020 to 2021). Where schools are carrying forward under-spends, their published online report should set out the amount being carried forward and give brief reasons for this under-spend.

Any under-spends carried forward will need to be spent in full by 31 March 2021 and schools should factor this into spending plans for their 2020 to 2021 PE and sport premium allocation.

Total amount left to carry over to the next academic year due to the coronavirus- £9887.95

Bassingbourn Primary School under spent this years allocated funding due to the coronavirus. The money above was going to be used to provide playground markings for KS1 and KS2 and if possible an active mile track to be built into the KS2 field. These markings and track will be sustainable for years to come. The active mile track will allows children to become more active during lesson time as it allows children to have an active break between lessons and helps develop a daily habit of exercise. Children in KS1 to use track as well as allow children to use the track at break times so they can again continue to be physically active.

Additional playground markings will make for more active lessons; teachers can use the educational markings to take children outside for intervention groups and class lessons. It will also allow children to use the markings to become more active during playtime. The unspent money will be spent as per the guidance by the 31st March 2021 on the above ideas and when site visits can begin again to allow for quotes and planning to be made

Key achievements to date 2019-2020:

- 15 identified low skilled swimmers from Year 5 and 6 children attended Top Up Swimming Lessons for 6 weeks, where during this time they were taught to gain confidence in the water and swim a distance of 25m
- Sports TA and PE Co-ordinator organised a range of in house sporting competitions for children
- More children now are gaining access to one of the many additional school sports clubs than we have had in previous years. There is now an external sporting activity available to children every day of the week if parents wish to sign them up and pay
- An external provider has come in during school holidays to run sport camps for those children who wish to pay
- There are 40 student sport ambassadors who help make play times active and run lunch time clubs to KS2 and KS1 children
- The whole school has completed a range of Change4Life sessions in their assembly slots
- All children now complete an active assembly for 15 minutes each week these range from completing a HITT workout, dancing and yoga
- All classes have used 5 a day fitness to engage children in physical activity during lesson time as an active break between lessons and have helped children work towards the recommended 30 minutes of active play at school each day
- Assessment and data shows that children are improving their skills across the PE curriculum; particularly in KS1 where fundamental skills has become a focus for the curriculum, we hope that this will continue and show a greater improvement in KS2
- Recognition of the Schools Game Mark prior to lockdown, which the school achieved gold for the third year in a row
- South Cambridgeshire School Sports Partnership have awarded Bassingbourn Primary the Virtual School Award, in recognition of our ongoing support and commitment to engage pupils with physical activity and virtual challenges during the summer term.
- Year 5 children trained to become play leaders who deliver active games and activities to KS1 every lunch time
- Bassingbourn has entered 10 teams into competitive competitions prior to lockdown
- Bassingbourn won the hockey tournament and were invited to county final, which was cancelled due to lockdown
- Lunch time clubs, which are provided voluntary by staff and free to children has increased with a sporting club available most lunch times
- A KS1 yoga club was run voluntary by a member of staff
- All children in KS2 have participated in the mile run each day
- With additional equipment breaks and playgrounds are more active
- Bassingbourn Primary has taken over 100 pupils from KS2 to competitive competitions throughout the year, this number would have been more if competitions were not cancelled due to coronavirus
- Less active children were identified at the start of the year and extra opportunities were provided for them to become more active

- All pupil premium children in KS2 have had additional competition and sporting opportunities provided to them
- The profile of PE has been raised across the whole school
- It has been noted that the overall fitness of the children in school is rising and an improvement is seen from the beginning of the year
- The entire school physical education curriculum has been remapped, plans are in place to support every teacher and additional equipment purchased to support the new curriculum, progression of skills has been mapped out beginning in year 1 and ending in year 6
- Since the school sport day was cancelled the whole school completed a virtual sports day week online with resources provided by the youth sports trust
- All classes used class dojo to continue to support healthy and active lifestyles during lockdown learning by asking children to submit healthy selfies which proved to be very popular

Bassingbourn Community Primary School Swimming Information

For the 2019-2020 academic year, there is a condition requiring schools to publish how many pupils within their year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.

<u>Meeting national curriculum requirements for swimming and water safety</u>	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	86%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	82 %
What percentage of your current Year 6 cohort perform safe self-rescue in water-based situations?	86%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming this can be to provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum. Have you used it in this way?	Yes this year 15 children from year 5 and 6 were sent to top up swimming lessons, where they were coached by professionals to achieve their 25 meters as stated within the national curriculum.
