10th May 2024

Dear Parents / Carers

As we approach the Key Stage 2 SATs next week, I would like to wish our Year 6 pupils the best of luck with their assessments. I know that they have been working incredibly hard preparing for the assessments. It is great to see their resilience over the past few weeks. I would like to also thank the staff team for their commitment with supporting pupils to do their best. I look forward to seeing everyone next week at SATs Breakfast (Monday – Thursday) which is available for all Year 6 pupils. It is an opportunity to come in, share some breakfast with their peers and get set for a positive start of the day.

Governors were pleased with the school development progress made to date and would like to share the following 5 key discussion points with parents.

- i. Selection of a new Phonics scheme to support the development of the Reading provision in school.
- ii. Appointment of Ms Amy Luu as substantive Head Teacher from September 2024 ensuring stability and consistency to drive forward the required rapid school improvement.
- iii. Ratification of the 2024/2025 Budget.
- iv. Appointment of a full-time Special Educational Needs and Disability Co-ordinator (SENDCo), Miss Jen Gregson, and the impact already seen in school
- v. Implementation of the WalkThrus programme to support the need for successful curriculum implementation.

Ms Luu

Interim Executive Headteacher
